## Subj: 2025 ASIS International Law Enforcement Awards

ASIS International's San Antonio Chapter will honor outstanding law enforcement officers, military, and federal agents from San Antonio and the surrounding communities during its 35th Annual Law Enforcement Awards and Luncheon. The awards ceremony and luncheon will be held in the Security Service Event Center 15000 I-10 San Antonio, TX 78249 on Thursday, May 22nd starting at 11:30 am. We will honor outstanding department officers and one officer will be recognized as the distinguished *ASIS International San Antonio Chapter "Officer of the Year"*.

ASIS International is the largest professional security organization in the world with over 34,000 members from 110 countries. It has become a tradition for ASIS International to honor public law enforcement as part of our continuing effort to promote increased cooperation between law enforcement and the private security industry. Learn more about ASIS International at [www.asisonline.org](http://www.asisonline.org).

To continue to honor these deserving officers, the San Antonio Chapter of ASIS International is reaching out to the business community to support this effort and serve as sponsors for the awards and luncheon. We would be honored to have your company sponsor a table, which will seat eight (8) people. Table sponsorships of eight are \$750 per table, which will provide six (6) seats for your company-designated representatives and two (2) seats for Law Enforcement officer nominees. Your sponsorship will be recognized with a table placard, printed program, and special recognition at the luncheon.

We also offer a logo sponsorship to include recognition on the printed program and your selection of two (2) attendees for \$250 or an Individual Ticket sponsorship for one (1) attendee for \$100. If needed, our Non-Profit 501c6 Tax ID # is 74-191218.

In addition to supporting area law enforcement officers, proceeds from the event are used to support local non-profit community service programs associated with law enforcement and the military. Recipients include SAPD Blue Santa, the 100 Club of San Antonio and Bexar County, and the VA Fisher House.

We would be honored to have your company as a sponsor. Should you not be able to sponsor a full table, any donation of support would be deeply appreciated. If you have any questions regarding table sponsorship, please feel free to contact me.
